

15 Jan 82

For the worldwide briefing I will want a paragraph or two of overview on these subjects:

1. The strategic equation as we now see it.
2. The threat to the strategic equation from ABM and military use of space.
3. The Warsaw Pact threat.
4. Soviet power projection with particular focus on Iran.
5. Military sales to and relationships with Third World countries.
6. Insurgency and subversion.
7. Instability and destabilization.
8. Central America.
9. Africa and the vulnerability of nations there.
10. Terrorism.
11. Middle East.
12. Afghanistan.
13. Southeast Asia.
14. The technological race.
15. Propaganda.
16. Economic competition in the free world.
17. Economic support and pressure in the communist world.
